Bible quotations are either taken from the King James Bible or the Jerusalem Bible: Koren Publishers Jerusalem. For scripture quotes on occasion bold and or parenthesis are added for clarification.

Sometimes if a portion of ten or more verses is quoted then only the sentences that are included in this story line are included. For those real studious types all could not be included otherwise this story would lose its value since no one would bother reading it. I wrote this as much as possible for the general audience I hope the scholars enjoy it also.

Britt Taylor Collins painted the cover of Volume 1. It represents the famous vision of Ezekiel, called the "Wheels within Wheels Vision." The vision occurred on Mt. Sinai, where God descended. Also this was where God gave Moses the Ten Commandments. Moses received the entire Torah on this mountain. When God manifests himself on earth, it is called Shekinah (Hebrew); which translates "Glory of the Lord" (English).

Other details you need to know, that were not painted in the painting, will be revealed through the reading of *Shekinah Prophecy*. The additional details should allow your imagination to finish the painting. Michelangelo painted the same scene of Ezekiel's vision, the "Wheels within Wheels," but he called it the "Throne Chariot of God." I call it the "Shekinah." For a more full appreciation of the cover painting, please read it directly from the Bible.

"Now it came to pass in the thirtieth year, in the fourth month, in the fifth day of the month (580 B.C.), as I was among the captives by the river of Chebar (Grand Canal above Babylon on the Euphrates River, Iraq), that the heavens were opened, and I saw visions of God. In the fifth day of the month, which was the fifth year of king Jehoiachin's (Israel-Judah) captivity, the word of the LORD came expressly unto Ezekiel the priest, the son of Buzi, in the land of the Chaldeans by the canal Chebar; and the hand of the LORD was there upon him.

And I looked, and, behold, a whirlwind came out of the north, a great cloud from heaven, and a fire infolding itself, and a brightness came out of the middle as the color of amber, out of the middle of the fire. Also out of the middle came the likeness of four living creatures (Angelic Cheribums). And this was their appearance; they had the likeness of a man.

And every one had four faces, and every one had four wings. And their feet were straight feet; and the sole of their feet was like the sole of a calf's foot: and they sparkled like the color of burnished brass. And they had the hands of a man under their wings on their four sides; and they four had their faces and their wings. Their wings were joined one to another; they turned not when they went; they went every one straight forward. As for the likeness of their four faces, they had the face of a man, and the face of a lion, on the right side: and they four had the face of an ox on the left side; they four also had the face of an eagle. Thus were their faces: and their wings were stretched upward; two wings of every one were joined one to another, and two covered their bodies.

And they (cheribums) went every one straight forward: where the spirit was to go, they went; and they turned not when they went. As for the likeness of the living creatures, their appearance was like burning coals of fire, and like the appearance of lamps: it went up and down among the living creatures; and the fire was bright, and out of the fire went forth lightning. And the living creatures ran and returned as the appearance of a flash of lightning.

Now as I beheld the living creatures, behold one wheel upon the earth by the living creatures, with his four faces. The appearance of the wheels and their work was like unto the color of a beryl: and they four had one likeness: and their appearance and their work was as it were a wheel in the middle of a wheel. When they went, they went upon their four sides: and they turned not when they went. As for their rings, they were so high that they were dreadful; and their rings were full of eyes round about them four. And when the living creatures went, the wheels went by them: and when the living creatures were lifted up from the earth, the wheels were lifted up.

Where ever the spirit was to go, they went, there was their spirit to go; and the wheels were lifted up over against them: for the spirit of the living creature was in the wheels. When those went, these went; and when those stood, these stood; and when those were lifted up from the earth, the wheels were lifted up over against them: for the spirit of the living creature was in the wheels.

And the likeness of the firmament (flat ice floor) upon the heads of the living creature was as the color of the terrible (icy) crystal, stretched forth over their heads above. And under the firmament were their wings straight, the one toward the other: every one had two, which covered on this side, and every one had two, which covered on that side, their bodies.

And when they went, I heard the noise of their wings, like the noise of great waters, as the voice of the Almighty, the voice of speech, as the noise of a host: when they stood, they let down their wings.

And there was a voice from the firmament that was over their heads, when they stood, and had let down their wings. And above the firmament that was over their heads was the likeness of a throne, as the appearance of a sapphire stone: and upon the likeness of the throne was the likeness as the appearance of a man above upon it.

And I saw as the color of amber, as the appearance of fire round about within it, from the appearance of his loins even upward, and from the appearance of his loins even downward, I saw as it were the appearance of fire, and it had brightness round about.

As the appearance of the rain bow that is in the cloud in the day of rain, so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of the LORD (Shekinah). And when I saw it, I fell upon my face, and I heard a voice of one that spoke.”

Acknowledgements

Having spent thirty years to complete this project, I want to thank the people who helped me through this journey.

First: I would like to thank the God of Abraham, the omniscient Deity who foretold the future with unimaginable details so that all may know and meet him personally.

And to my adorable wife of thirty-four years, Leta Marie, without you this project would never have seen the light of day. After I earn some book royalties, I look forward to celebrating with you.

Second: John Larson, Museum Archivist University of Chicago, Oriental Institute. With a brief letter of introduction, I requested a long list of photographs. Your initial reply to me, some months later, were six pages of small print, as to exactly where I could find the remaining material that you could not provide. John, thank you so much for researching and finding out where in the world all these great photographs were archived and hidden. I asked you for photo's that have been rarely viewed by the general public. You have provided the best, so the world can splendidly enjoy them. Thanks.

Third: Egyptian Ambassador to Washington DC, Minister Abdelaleem El-Abyad, offered his assistance, working eighteen months to obtain the spectacular photos from the Luxor Museum. Thank you so much for your nudge. I got the package within ten days.

Fourth: The Vatican Museum Gallerie Pontificate in Rome. Thank you for the splendid photos that you provided and for telling me where I could find the other material. I have long desired to visit Rome, hopefully it will happen sooner rather than later.

Fifth: To the myriad of museums from all over the world that corresponded with me and provided snippets and tidbits from various authors, I want to express my gratitude. Also for all those linguists who labored over the translation of the lost languages on clay tablets, thank you for your labor that typically goes unacknowledged. Without your diligent scholarly labor, this book would not have the life that it does.

Sixth: To three of the soon to be most famous names on earth, the friends of the Antichrist, the prophet has named you as the New World Order provocateurs in Israel. To the Hebrews who were named by the

prophet, Ya'azanyahu son of Shafan, Pelatyahu son of Benayahu and Ya'azanyahu son of Azur, one of you could be the Antichrist – time will tell. What is known for certain, according to the prophet, is that you are intimately working behind the scenes with the Antichrist and with the other network of ancient Orders that in modern time have been renamed. Your destiny has been prophesied.

You were named by name 2,600 years in advance. We know why you are here; your presence ushers in the kingdom. Before Cyrus was born, Isaiah the prophet foretold that a man named Cyrus would become King of a future Kingdom called the Persian Empire. King Cyrus was named by name prior to his birth and he was born to assist in rebuilding the Second Temple in Jerusalem. The friends of the Antichrist were also named in advance and will assist in the rebuilding of the Temple in Jerusalem.

Each of us is motivated in life by various reasons, some by greed others by charity. The prophet states the friends of the Antichrist are leaders of greed, mischief, and wicked counsel. The prophet also states you will be appointed as priests in the newly recreated Sanhedrin for Temple worship. As a matter of fact the prophet says there are many more of you mischievous fellows who will be appointed to the Sanhedrin.

This is the age spoken of by the prophets called, "The End of Days." As we all know, it will be extraordinary indeed. God foreknew and named the rulers of the Apostasy in Israel. Truly God is an amazing Deity, to have recorded for man so many details of His plans in the Bible. *Shekinah Prophecy* will reveal some spectacular prophecies for the very first time. Most importantly you will be able to mark your calendar on the moon phase day of the month, which will be a Passover, a Hebrew holiday when the SHEKINAH will appear on earth.

To those rabbis that serve as a majority in the Sanhedrin, without your strong faith and adherence to the Torah, the world would stop spinning. Thank you for being faithful servants of the Most High God. We are about to enter a Dark Age, and the traitors to Christianity and Judaism will be revealed.

Seventh: My U.S. attorney Terrance L.B. Brown of Shlesinger, Arkwright & Garvey LLP, thanks for representing me in obtaining the U.S. patent on Solomon's Temple Design 423-681 and for recommending a terrific Israeli law firm.

And for all the keen minds of the law firm, Wolff, Bregman and Goller, who obtained the patent of Solomon's Temple in Israel, thank you for performing a nearly impossible feat. It took us years, but without all your minds and skills pooling together, this would not have happened. Thank you Yosef Bregman for guiding this project to a successful patent. Our Israel patent Registration of Design is #30656.

Eighth: My first editor, Marion Lowing of Atlanta, Georgia, who has since gone to be with the Lord, thank you for your three years of hard labor, pouring over my material and honing down my ideas into something readable. The book ended up a trilogy, exactly as you suggested twenty years ago. Sorry I didn't listen. You were right, it just took me years to recognize it.

Please note:

In Volume 1 the chapter about the myths might bog the reader down a bit. Since the myths cross reference with “The End of Days” prophecies, it will be helpful to have some background knowledge in order to understand the events that lead up to the last days. In the final volume it will be made clear how mythological origins will be replayed once again in the temple ceremonies, so please bear with me and hopefully your patience will be worth it in the end.

Perry Coman, independent scholar who lives in Los Angeles said, “This is the best read I have come across that ties classical history to Biblical history. I had no idea nearly sixty kings of classical history were mentioned in the Bible. The writer has been able to unlock in chronological order the many enigmas that have troubled historians and Bible scholars alike. I could not put this book down. Revelations galore.”

Judy Johnston of Anchorage, Alaska said, “This book is epic in significance. It is an opus from beginning to end, larger than life.”

Nearly 26 years ago Mike Young witnessed the 1986 space shuttle Challenger explosion. Simultaneously, God revealed to him that the key to understanding Daniel’s prophecy was to use the “Countdown” method. After watching replays on TV, Mike embarked on a quest that would take nearly two decades to unfold.

“My hope and prayer is that this will become the guidebook that will lead those that are ‘Left Behind,’ yet chosen of God to meet us together at the appointed time. This book will prepare them for the ‘War of the Worlds’ and assist them from becoming deceived by the Antichrist.

Shekinah Prophecy illuminates the final history of the world as never told before. From a complex view; the meshing of two historical timelines, classical and biblical with two battlefields, the heavenly spiritual realm and the earthly physical realm, the prophecy unfolds. *Shekinah Prophecy*, a novel-docu-drama about the cataclysmic war looming in the days ahead, hopes to serve as a guidebook for “The End of the Age.” – Mike Young

SHEKINAH PROPHECY

Vol. 1

INTRODUCTION: A Factual Mystery

Thousands of years ago some ancient prophets foretold of an era of doom and troubled times that would last for seven years. They prophesied that a new age Messiah would appear with marvelous answers and that the whole world would call this Messiah, God.

Some Jews believed this Messiah would call the Jews to their homeland and this Deliverer would set up a global Kingdom of peace as promised to David. From a New Testament perspective the real Messiah arrived long ago and this other Messiah would become the Antichrist. Ezekiel claimed two Messiahs make an appearance in the future.

Some Jews, think that a Christian conspiracy exists to send all the Jews in the world to one

place, Israel, so they can be annihilated. The New Testament hints that Lucifer will attempt to destroy the Israelites, but God miraculously prevents another Hebrew holocaust, sending Michael, the Archangel to their rescue.

The apocalyptic writers foretold that a nearly impossible event would mark the first day of the seven-year Tribulation: a worldwide human abduction by God of Bible believing Christians. Some have called this abduction phenomenon, the "Rapture," others have called it the "Quickening."

Whatever the news media might call the event; it will be a global seizure of humans from off the face of the earth, whom only God knows are his "true believers." They will be bodily carried away from the crust of the earth into and beyond the ozone layer, and into the deep regions of the starry domain of outer space, directly into Heaven. The bearded New Testament seers prophesied that the human abduction phenomena (Rapture or Quickening) would occur in the following manner:

"For the LORD himself shall descend from Heaven with a shout, with the voice of the Archangel, and with the trump of God: and the dead in Christ shall rise first. Then we, which are alive and remain on the earth, shall be caught up together with them in the clouds to meet the LORD in the air: and so shall we ever be with the LORD."

I Thessalonians 4:16-17

"Behold I show you a mystery; we shall not all sleep, but we shall be changed, in a moment in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. This mortal shall put on immortality. Death is swallowed up in victory. O death where is thy sting? O grave where is thy victory?"

I Corinthians 15:51-58

On the day of the abduction phenomena, at that same moment, the seven-year Tribulation begins. As the curtains are lifting, the billions of humans who missed the abduction will applaud. On center stage the New Messiah will bow, Satan will be standing behind him and bow also. The New Messiah will be introduced to the worldwide audience. He will be received with breath-taking awe. His marvelous introduction will incite a universal applause.

God has prophesied that he would allow the remaining people living during the Tribulation a second chance to become true believers.

Completely unknown to the audience, the New Messiah of Satan travels with a dazzling mistress; who dashes with him behind-the-scenes across the world stage, the one who the ancients called a whore. The whore represents the most powerful government on earth, one that prostitutes itself to gain more power. This government of the whore assists the New Messiah with the plans of Satan.

Thousands of years ago many prophets claimed that since the beginning of world history, Satan has controlled an earthly city. That city was Babylon, the world headquarters for the men marching for Satan.

For millenniums, Babylon was the religious grand central station of the priesthood of the gods and goddesses of the Mediterranean world. The chief god of the religious mystery orders was the King of Babylon. His voice represented the eternal voice of all the gods. His dominion controlled all priestly orders. Unknown to these religious god-fanatics, their pulsating arteries had tentacle veins attached directly to the palpitating heart of Satan.

About 100 AD, John, a ninety-year-old "criminal" with a weather-beaten face, was exiled to the wind-swept Island of Patmos, near Italy. Under trumped up charges, Caesar Domitian imprisoned him. While serving time, this Christian "criminal" had a vision that would forever alter the course of human history. The vision, he wrote in a book called Revelation or the Apocalypse.

In this vision he was carried forward 2,000 years in a time tunnel to a city, symbolically pictured as a woman. This modern city was the central nervous system of a secret government, which controlled the governments of the world. As he gazed upon the city, he wrote:

"... and when I saw her I wondered with great admiration. And the angel said unto me, wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns. ... And the woman which you sawest is that great city which reigneth over all the Kings of the earth."

Revelation 17:6-7,18

When the end of the world nears, the prophets foretold that the Messiah of Satan would set up a New World Order of Nations. The whore's secret government would be camouflaged under the masquerade of peace treaties. With the smoke screen of these treaties, the force of International Law would rule the governments of the world. Satan would rule through this New Messiah as a religious fascist over the world governments, who have signed these binding international contracts with his mysterious government.

Unknown by most of the Presidents, Kings, Monarchs and Prime Ministers in the world, either they or their predecessors had already signed these peace agreements with the government of Satan. Agents of Satan under the realm of International Law had knowingly created the greatest set up in the course of human history. Most of the world's leaders did not recognize who controlled the New World League of Nations. All national governments had been penetrated and were honeycombed throughout by the human secret agents of Satan. The world suffered in the final stages of this cancer, yet most were totally unaware of the terminal diagnosis.

Very soon the New Messiah would compel every man, woman and child to call him "God." Through the force of International Law and the propaganda of corrupt mind-controlling media, people of all races would become convinced, "They must bow." If they refused, they would be herded into private chambers, others onto public stages, never to return alive. According to the prophets, they will be beheaded. These people, who die in this manner, would be immediately transported to Heaven to live with God.

The closer we get to the end of the world, the Bible prophesied that a One-World Federation would rule the globe. How did the New World Order of International Law abolish the Old World Order of National Constitutions? Did the Bible foretell the following facts in advance?

Who kills this evil Messiah, the Antichrist?

What will be the murder weapon?

What type of mortal wound and to which side of the head?

On what Jewish High Holiday will the murder take place?

In what city, street, and building must he die?

The prophet, Ezekiel, foretold that the rebuilt Temple of Solomon would be defiled by a revival of the earth gods and goddesses. He precisely predicted that an idol would be placed in the new temple and where it would be located.

Daniel, the seer, called the monstrous event of putting an idol of a goddess in the Temple, the Abomination of Desolation. The Messiah of Satan intertwined his appealing religion with a god and a goddess. Was this the secret worship of Satan? Could history repeat itself in this generation before our very eyes?

Daniel the prophet foretold of a historical peace treaty that would occur in the Middle East, finally bringing harmony in this region of the world. The Messiah of Satan must sign this peace treaty that Daniel called "The Holy Covenant."

How does the Messiah of Satan later violate this Holy Covenant?

How many conspirators are working with him behind the scenes?

How many of these priests are named by name thousands of years in advance?

During the seven-year Tribulation, are there three separate raptures (when God abducts his people to Heaven).

On what Jewish Feast-Holidays will they occur?

Does a certain prophet name the Antichrist? If so what is his name?

World history will pivot on the rebuilding of the Temple of God in Jerusalem. You can mark your calendar in advance to know when the following prophecies must occur: the day when the Jews begin worshipping in the rebuilt House of God, the day when the two witnesses, sent by God from Heaven land on Earth, and the day when the Abomination of Desolation becomes set up in the Temple of God. Then the reader can count exactly how many days later the Messiah (Antichrist) dies, and what specific holy day Satan will resurrect the Messiah.

Concerning the phrase used by Daniel and Matthew, "Abomination of Desolation", something is smeared and placed on the walls of the Temple. When the Abomination occurs, the Messianic Antichrist displays the idol of the goddess.

Satan knows the precise timetable for all of these events. He cannot change the dates of God.

Daniel the prophet had four visions concerning end time prophecies. In each vision he was given a mystery number. When Daniel asked God the meaning of the riddle of the mystery numbers, God replied:

"O Daniel, shut up the words, and seal the book, even to the time

of the end: many shall run to and fro and knowledge shall be increased.
Go thy way Daniel for the words (and numbers) are closed and sealed till
the time of the end.”

Daniel 12:4,9

God inserted into the Bible an amazing set of mystery numbers that would be unraveled at some appointed time near the ‘time of the end.’ The author believes the set of mystery numbers represent a count backwards! The reason why the space industry counts backwards or uses the countdown system is because then they can know exactly when a specific event will occur on which date in the future! Liftoff. They as well as you can also pre-mark on your calendar all of the dates that the prophecies must occur using the same countdown system that the astronauts use.

There is, however, a great dilemma to the author; if the answer of this great secret of the end of the age, the countdown of the mystery numbers was revealed to him, he believes that he will be raptured (abducted) into the deep regions of outer space in the first of three abductions. If indeed, he were abducted, then he would not be able to communicate this answer of the mystery of the countdown dates to those who would be living during the Tribulation and who will desperately need understanding of the dark days ahead.

And God said to him:

"And the vision of all is become unto you as words of a book that is sealed, which men deliver to one that is learned, saying, read this, I pray thee: and he saith, I cannot; for it is sealed. And the book is delivered to him that is not learned, saying, read this, I pray thee: and he saith, I am not learned."

Isaiah 29:11-12

Then God said to him:

"Now go, write it before them in a table and note it in a book that it may be for the time to come for ever and ever."

Isaiah 30:8

Furthermore God said to him:

"... Write the vision, and make it plain upon tables, that he may run that readeth it. For the vision is yet for an appointed time, but at the end it shall speak, and not lie."

Habakkuk 2:2-3

And finally:

"... I fell down to worship at the feet of the angel, which had shown me these things. Then he saith unto me, See thou do it not: ... keep the sayings of this book: worship God. ... Seal not the sayings of the prophecy of this book, for the time is at hand."

Revelation 22:8-10

Receiving the understanding of the mystery numbers and considering himself 'not learned,' the author, perceived these verses as a mandate from God 'to write it before them in a table and note it in a book.'

What is the difference between the fine line of prophecy and coincidence? Each person must decide for himself before the events occur. Those who wait to make up their minds after the prophecies are fulfilled might think, "What a coincidence!" After the prophecies are fulfilled, it becomes history.

During the final seven-year period, the Bible has prophesied that most of the human race will ignore God and blaspheme his name and blame God Almighty for their predicament. Why? Unfortunately, they will have fallen under the narcotic spell of drinking the deceit of Satan's Messiah. Satan knows the battle raging in human hearts and minds determines where they will spend eternity. Each individual must make a choice: Whom will they trust? Then again, as some would say maybe eternal life and the Bible are just a legend. Perhaps, the stars determine human destiny? Possibly human souls recycle again? Ultimately, we will all discover the truth to these answers.

Chapter 1

IN HEAVEN

Charlie, the ex-bartender, stood up, brushing off the puffy clouds that were clinging to him like cotton candy. That's when he heard a thunderous and crackling voice that boomed, "Welcome to

Heaven."

The phrase cascaded down Charlie's ear canal as he turned around, and what he saw took his breath away. The Glory of God and his pulsating energy enveloped in dark clouds that covered his holiness. Arching over the throne of God was a crystal rainbow piercing hundreds of miles, through the clouds. The bright rainbow tints were etched upon the dark clouds of moving energy. For the first time in his life, Charlie knew this Deity had authority and looked like the Supreme Court Justice of the Universe. He kneeled and bowed in awe, as he realized he was in the holy presence of the Father of Eternity Past and Eternity Future.

Lightning bolts flashed out of the throne in an umbrella of directions. The Father of Heaven sat in his white robe upon his throne; his long white beard was blowing in the wind.

"... The Ancient of Days did sit, whose garment was white as snow, and the hair of his head, like the pure wool."

Daniel 7:9

"... A throne was set in Heaven and one sat on the throne. ... And there was a rainbow round about the throne, in sight like unto an emerald. ... And out of the throne proceeded lightnings and thunderings and voices. ..."

Revelation 4:2-5

"And they saw the God of Israel: and there was under his feet as it were a paved work of sapphire stone and as it were the body of Heaven in its (his) clearness."

Exodus 24:10 KJV

"And they saw the God of Yisra'el: and there was under his feet a kind of paved work of sapphire stone, and as it were the very heaven for clearness. Shemot 24:10 JBKP

A rowdy bunch of thirty Hebrews cloaked with royal robes jockeyed towards Charlie and one of them yelled, "Yes indeed, welcome to Heaven, Charlie. You are the very first saint to arrive from earth, the Great Seven Year Tribulation (Tenakh, 'Time of Jacob's Troubles). How did you become a true Believer so quickly? The Father brought up the believers in his Son only three days ago!"

Charlie, while raising his beefy arms screeched, "A true Believer, I'm glad you asked." He lowered his deep voice and glanced up at the Lord on his throne. He saw the pulsating rays of God's glory chasing away the approaching darkness. Heaven was filled with dark energy. It looked like tons of black liquid matter flowing all around God's whiteness.

Charlie asked, "Let me ask a quick question first, what day is it?"

The long robed Hebrews looked at each other and all of them shook their heads at the very odd question of the first tribulation saint from earth.

Charlie said, "Ah never mind. I guess it does not matter up here...the time thing. This floor we are standing on looks like a window. It feels cool and looks as if it is made of ice. Why is the floor of heaven like a flat sea of glass? This transparent floor gives me the creeps...it looks like hell is under us."

As he continued staring at his feet he could see through the clear floor, which was nothing but a gigantic window, which served as a glass floor; he could see the collapsing walls of what appeared to be a lake of fire hundreds of miles below him. The flat sea of glass looked like a frozen northern lights under God. It was as if the fire below had melted a hole in the ice above.

A voice from the crowd of thirty Hebrews said, "We are standing on a flat Sea of Glass, that Moses called a Firmament which the New Testament Hebrews called the Sea of Glass."

"... I saw under the sea of glass [firmament] and it was mingled with fire..." [revealing what is underneath].

Revelation 15:2

"And God said, Let there be a firmament, in the midst of the waters, and let it divide the waters from the waters."

Genesis 1:6

"And God said, Let there be a firmament in the midst of the waters, and let it divide water from water.

Berishit 1:6

"And the likeness of the firmament, [flat sea of glass] upon the heads of the living creature was as the color of terrible crystal stretched forth... and above the firmament was the throne of God and over the throne was the appearance of a rainbow."

Ezekiel 1:22-28

"Now tell us the story, how you became a true Believer so fast?" inquired one of the Hebrews.

Charlie carefully explained the circumstances, "My wife and I were on a California freeway, when I popped open a beer can and she started nagging me not to drink and drive. Her words irritated me like a jackhammer...She kept on crabbing at me so I pulled over to the side of the road and yelled, 'Well you drive then.' She laughed, warning me that she should not be driving because she might be abducted on that very day of Succoth, which was a Jewish Feast Day of Tabernacles, preaching she could be kidnapped to outer space by the Almighty God. I yelled at her that I'd enough religion. So we continued driving about seventy mph down the freeway. I glanced over to the rolling hills, filled with

endless tracts of apartments. When I glanced back, she was gone...I mean completely disappeared... she had literally vanished into thin air! As my recollection lingers, she had never had a habit of leaving her shadow behind. Out of instinct, I stretched my leg over to slam on the brakes and stomped real hard, jamming it like this..."

Charlie pumped his left leg in the air to demonstrate to the thirty Hebrews how to apply a brake pedal.

"And when I looked up there was a tractor trailer that had flipped on its side in front of me and all I remember was a humongous metal screeching collision."

Like boys often do, Charlie sputtered out crash type noises through his ample vibrating lips, while he relived the event.

"A split second before impact I'd glanced in the rear view mirror and saw my convertible canopy roof had sprung loose and sure enough upon crashing, the convertible sprung closed and squished my head like this."

As he slowly smeared his face with his hands, he blurted, "The next thing I remembered, I was laying in a hospital room and staring at some poor dude next to me. His legs and arms are strung up with stringers. I was feeling real sorry for the poor bum. His head was all bandaged up and all I could see was his one eyeball. I waved at him. He was staring at me and waved back simultaneously. I looked at my feet, and then looked at the guest next to me in the room. I saw that the bottom of his bed did not have any wheels on his bed frame. That's when I realized I was staring at a window reflection, and the guy with one eyeball that waved at me, was me! My eye finally shut tighter than a blister, and I remembered what my wife had told me, that she was going to disappear into thin air on the Jewish Feast of Sukkot and reappear in Heaven. I knew she was nuts, just way too much religion, I figured. So in my hospital bed, I began stammering out a prayer to God, that I was not a good or kind man. I asked God to forgive me of my sins, and I asked God to help me to be a true believer in the name of his son Jesus Christ. Then I remember floating out of my body and saw my corpse on the hospital bed turning blue gray. As my body slowly grew limp it started twitching. Then I heard a voice boom, 'Come up here and I will show thee things which must be.' I was in the spirit and I looked behind me and I saw myself floating away from the hospital building as two angels grabbed me under my arms. We entered into a long tunnel that had a bright light at the end. We flew, speeding into outer space."

A King stepped out of the crowd of Hebrews, "Charlie, my name is King David, thanks for telling us your story. We must move along."

Charlie replied, "I know you, you're the fellow in the Bible that the killed the giant." Charlie smiled, because he knew he'd impressed the others with his Bible knowledge. What he did not know is that the whole crowd knew what he knew.

King David walked over to a computer keyboard. Floating in space hung a giant movie screen. Charlie guessed the heavenly monitor to be about as long and wide as a football field!

King David said, "We'll be able to watch current world events from this giant screen. Furthermore, we'll also be able to review civilizations, past, present and future, while never leaving heaven. As I talk, the screen receives and displays live pictures. Let's see what is happening in San Francisco, right now." He then grabbed a video camera that was attached to the computer keyboard.

Charlie observed as King David demonstrated, "We can operate this video camera by remote control and put it in automatic pilot." Typing on the keyboard, the video camera flew backwards, out of Heaven, and Charlie could see himself on the screen getting smaller and smaller; a few seconds later

earth began getting bigger and bigger on the screen.

The screen showed China and then Japan and it began skimming towards the west coast of North America about 100 feet above the Pacific Ocean. The swirling waves and foam were splashing.

Charlie glanced away from the screen showing the Pacific waves and said, "This place is pretty nifty. On the weekends I worked at a sports bar as a bartender. I think I will fit in here quite well." as he glanced back at the giant screen.

The ocean waves continued swirling and crashing upon the Redwood studded coast of California. The Golden Gate Bridge loomed on the horizon, as the watery bay could be seen on the bottom of the screen and the underside of the Golden Gate Bridge could be seen on the top of the screen.

King David winked at the group of Hebrews as they quickly averted their eyes. Charlie kept his eyes glued to the screen as the video camera like a jet fighter began flying under the bridge and up into the sky and then it flew in a 360-degree loop back over and under the bridge.

Charlie lost his equilibrium and fell. Scrambling back to his feet, he rubbed his forehead, expecting to feel a knot the size of a grapefruit. Surprisingly, it didn't swell nor ache. The Hebrews laughed with foot stomping, knee slapping approval.

Charlie laughed, "I sure didn't see that coming." He inquired, "Why was the Golden Gate Bridge piled up with hundreds of car crashes?"

King David replied, "When God kidnapped your wife from earth a few days ago, He also abducted hundreds of millions of others and brought them here to Heaven. The abduction occurred all over the globe."

"Quite interesting, but did I really die? Can you show me my corpse one more time?"

Looking on the screen Charlie could see his blue corpse being stuffed into a crematorium in the basement of the hospital. He started yelling, "Hey, wait a minute I did not want to be cremated!"

King David tapped Charlie on the shoulder and said, "To be absent from the body is to be present with the Lord, so relax."

Charlie pinched his face and arms and chuckled with his toothy grin. He asked, "On earth it looks like I am dead, but I am really alive, at least I think I am. Hey, King David what is the Messiah up to right now?"

King David replied, "You mean the New Messiah, the Antichrist?"

Charlie nodded his head, yes.

They turned and looked on the screen and saw the New Messiah, reading a newspaper with bold headlines, 'ALIEN FORCE ABDUCTS MILLIONS – Messiah has the answers.'

King David tapped Charlie on the elbow and stated, "What I am about to say should trigger your thinking processes. After the abduction phenomena, the remaining people on earth from that time forward will have entered into an age called the Great Tribulation. The next seven years becomes a time of great deception, a reversal of history."

Charlie put his hand to his chin and pondered, "Reversal of history, I wonder what King David means by that. Mmmh, maybe it might mean that those on earth re-enter into an age that use to be? Like maybe history reverses itself. Or maybe he meant those on earth have entered into a gateway of

time like the Old Testament again of the pagans, priests and the gods and goddesses. Maybe, just maybe the ‘reversal of history’ is everyone back in modern earth is living back in the days of the Old Testament but they have no idea.”

Chapter 2

PRINCE OF CREATION

Charlie noticed a meteorite streaking back and forth across the dark skyline between Heaven and earth. Landing over Charlie’s head upon the stair-cased porch under God’s throne, the meteorite morphed into a beautiful angelic creature. Holding had a long list of papers in his hands, he rapidly communicated back and forth with God, not with words but with beautiful musical notes, which could

be understood as language. This heavenly creature had the aura of a Four-Star General. He appeared to have real authority with God.

Charlie asked, "King David, who is that beautiful angelic creature with the most charismatic smile that I have ever seen in my life?"

"He is the sum of wisdom, perfect in beauty, with an irresistible and magnetic charm, that draws all humans to his side. He constantly travels to and fro between Heaven and earth. He is the anointed cherubim." replied David.

Charlie responded, "Wow, the Christ, Son of God in person. He must be performing the missions of God, to defend and help his people on earth. He has the most symmetrical and awesome face of magnetic love and power, that I have ever seen, especially that dazzling smile."

King David emphasized, "That my friend is the cherubim Lucifer, the Admiral of the Universe."

Charlie's jaw dropped open wide. His face displayed pure disbelief.

"Thus saith the Lord God: Thou sealest up the sum, full of wisdom, and perfect in beauty ... Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee. ... Thine heart was lifted up because of thy beauty..."

Ezekiel 28:12-18

"How art thou fallen from heaven, O Lucifer, son of the morning? ...For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: ... I will ascend above the heights of the clouds; I will be like the most High."

Isaiah 14:11-15

Charlie asked, "What's going on here? How come Lucifer lives here in Heaven? I thought that he got kicked out, right?"

By then Lucifer had flown away from the throne over to a group of hideous looking demons huddling nearby. He was bragging and laughing, while pointing to the list of earthly names in his hands. With his magnetic smile Lucifer purred, "I always get my way, I love living here in Heaven performing the missions of God...."

King David spoke loudly, "Lucifer was never kicked out of Heaven. Although he has fallen, he still lives here. He will not get kicked out, until the middle of the seven-year Tribulation. When there will be a war here in Heaven, and he will be forced out, forever."

"And there was war in Heaven: Michael and his angels fought against Lucifer the Dragon, and the Dragon fought with his angels. And prevailed not, neither was their place found any more in Heaven. And the Great Dragon, that old serpent, called the Devil, and Satan, which deceives the whole world: He was cast out into the earth, and his angels

were cast out with him."

Revelation 12:7-9

King David commented, "Very soon the voices of God's angelic army will shout the victory."

"And I heard a loud voice in Heaven saying, now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night."

Revelation 12:10

The floating ugly demons snarled and nodded, Lucifer barked orders like an admiral. He read aloud the names from the papers that fluttered in his hands. Various demons flew away madly to make contact with the lesser devils on earth to give orders, tempting, stealing, destroying, and killing people on earth.

King David declared, "Lucifer, the accuser, received permission to tempt the humans with his devilish deeds. He has done this for thousands of years for it is written..."

"And the LORD said unto Lucifer, Where did you come from? Then Lucifer answered the LORD, and said, from going to and fro in the earth, and from walking up and down in it."

"And the LORD said unto Lucifer, Hast thou considered my servant Job, that there is none like him in the earth, a perfect and an upright man, one that feareth God, and hates evil?"

"And Lucifer answered the LORD, and said, skin for skin, yea, all that a man hath will he give for his life. Let me put forth my hand and touch his bone and flesh, and he will curse thee to thy face."

"The LORD said unto Lucifer, Behold he is in thine hand; but save his life. So Lucifer went forth from the presence of the LORD."

Job 1 & 2

King David continued, "Before the creation of the physical Universe God had promised Lucifer that he would be the Prince and power of the air. Before Lucifer could tempt any soul on earth with the flickering thoughts of murder, theft, adultery, etc., he must first get permission from God. The General

was mocking, because very few souls on earth were praying to God, to overcome temptations, which God had just granted Lucifer, the accuser.

"What do you mean..." Charlie asked "... there are billions of people on Earth, how do you know that only a few praying to God?"

King David replied, "We are in God's Heavenly Tabernacle..." as he pointed directly overhead in the sky, Charlie noticed two square altars floating above their heads in space directly under the porch, "... and those two altars here in Heaven are patterned after the Tabernacle of Moses in the wilderness and Solomon's Temple in Jerusalem. During the Tribulation all the people on earth who become true Believers, who end up dying will also be transported here. And like you they will end up standing under the altar on the flat sea of glass in the Heavenly Temple."

"And when he had opened the fifth seal, I saw as it were a sea of glass [firmament] mingled with fire, and them that had gotten victory over the Beast, stand on the sea of glass. And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God."

Revelation 6:9 & 15:2

King David divulged, "When people on earth pray, their prayers ascend before God. Their prayers appear as smoke pouring out of the Golden Altar here in Heaven."

Just then Charlie noticed a little puny puff of smoke poofed out of the Golden Altar over head, and he was thinking, "My oh my! Poor God. Only a very few believers on earth were praying to him. Maybe its because he never talks to them." Charlie inquired, "By the way if this is Heaven, where is my wife and all of those people who were abducted from earth?"

"I thought you would never ask do you see the porch above us where Lucifer was moments ago, let's look on the big screen and see who else is standing up there."

Above them on the porch, they could see an ocean of millions upon millions of people. They were all bumping elbows, grinning ear to ear, while receiving their rewards.

"For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God."

Romans 14:11

"For we must all appear before the judgment seat of Christ; that every one may receive the things done in his earthly body, according to that he hath done, whether it be good or bad."

2 Corinthians 5:10

Every nationality on earth was swarming on the porch. Charlie's eyes moistened when the face of his radiant wife came into view. He realized that his wife was taken from their car on earth, to Heaven and that she was safe above him on the porch. With the sleeve of his shirt, he wiped the tears off his cheeks.

"Charlie, look!" King David blurted.

He looked up on the screen and saw a picture of a red dragon with seven heads and ten horns poking out of his scalp. Standing next to the Dragon was a smiling portrait of the dazzling Lucifer, grinning ever so grandly, with a great big equal sign "=" in between the two pictures.

Without being told, Charlie figured that the dragon with seven heads was a symbolic figure of Lucifer and that somehow this image involved Lucifer's Messiah on earth.

King David said, "The book of Daniel, Ezekiel and Revelation have many symbols in them. The symbols convey truth. Each symbol has a literal interpretation that can be found hidden elsewhere in the Bible. The seven heads on the dragon were seven earthly empires that Lucifer has controlled on earth during the last 6,000 years. This was how he has enforced his Satanic state-religion."

"And there appeared another wonder in Heaven, and behold a great red dragon, having seven heads and ten horns. And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth. And there are seven Kings...."

Revelation 12:3 & 17:9-10

King David continued, "And those kingdom empires which Lucifer controlled were Egypt, Assyria, Babylon, Persia, Greece, Rome; and the last empire that receives the tribute of the world will be Mystery Babylon the Great. Mystery Babylon the Great symbolizes a nation whose legal city limits are located within modern Europe. In order to understand prophecy you must first have a basic understanding of the history of the ancient world. We will be able to identify the old Whore of Babylon by her clothing."

"And the woman was arrayed in purple and scarlet color, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication. And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH."

Revelations 17:4-5

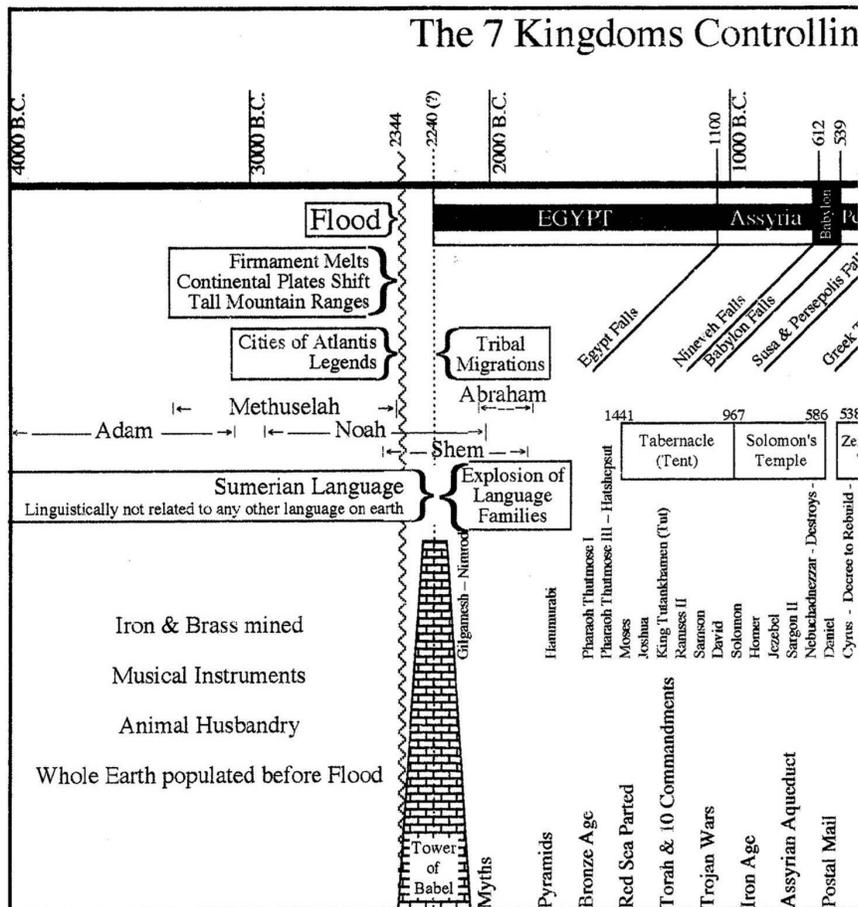

"As we go back in history to review ancient civilizations, we'll start in a time called, "In the Beginning."

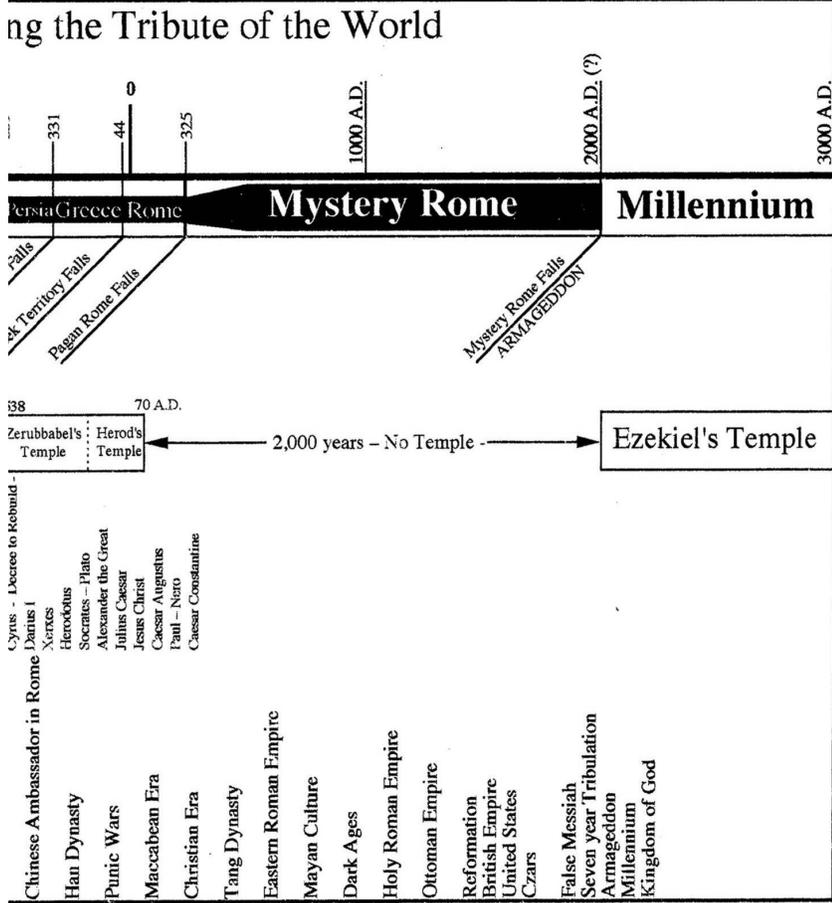

Charlie thought King David meant in the beginning of the first Kingdom of Egypt and the dynasties of the Pharaohs, which was the first empire that the dragon controlled. But what King David meant was ...

Just as King David finished typing “In the Beginning” on the computer keyboard, Charlie stepped forward and accidentally tapped the numerical keypad and this propelled them billions and billions of years in the past, “In the Beginning” before God had created anything. The small crowd all had their eyes keenly glued to the giant screen.

The dark matter in the universe along with millions of whirling galaxies, colorful and exploding nebulae, dark planets, asteroids, streaking comets, and the lights of the cosmos were all being siphoned into a small black hole. Then nothing appeared on the screen but eerie black darkness. This was the time; before time began and the screen appeared pitch black.

Although Charlie and the Hebrew crowd could hear the noise of what sounded like an army of flapping wings, flying around on the dark screen, they could see nothing but pitch-black darkness.

King David handed Charlie a pair of 3-D type glasses and said, "Now look at the screen."

Charlie put on the 3-D glasses and lowered them over his eyes. He could see on the dark screen an endless angelic host of cherubs, angels and archangels flying around the majestic throne of God crowned in a vibrant rainbow. As he slowly lifted his 3-D glasses, the screen turned back into a sea of black space. He slowly lowered them over his eyes once again. Upon the dark screen he could see a whole new world. God was in his Glory sitting majestically on his throne. He once more raised his glasses and beheld the eerie black darkness. Then he turned away from the black screen and looked up behind him at the Lord sitting on his throne. It was the exact same picture he saw on the screen. Charlie inquired, "How come God lives in such a dark place?"

King David replied. "Because it is written he dwells in darkness."

"The LORD hath said that he would dwell in the thick darkness."

I Kings 8:12

"... And it came to pass, when ye heard the voice out of the midst of the darkness, for the mountain did burn with fire, that ye came near unto me."

Deuteronomy 5:22-24

"In my distress I called upon the LORD, and cried to my God: and he did hear my voice out of the temple, and my cry did enter into his ears. ... He bowed the Heavens also, and came down to earth and darkness was under his feet. ... And he made darkness pavilions round about him, dark waters, and thick clouds of the skies."

2 Samuel 22:7-13

"I don't think I understand what is going on. I saw Lucifer on the screen in ages past. It appeared to me that at one time he and God were best of friends. Is that right? And if so when and why did God create evil?"

"That is a very stabbing question that pierces the marrow of the bone, for God himself declares that he is the creator of evil and all of the darkness that occupies space, for it is written,"

"... I am the LORD, and there is none else, I form the light, and create darkness: I make peace, and create evil, I the LORD do all these things."

Isaiah 45:6-7

Charlie's heart throbbed and he thought, "If the scripture's are true, God himself is the creator of sin and all the evil in the universe, it does not make sense." Charlie asked, "Why did God create evil and sin that is such a spreading cancer to the human race?"

"God, as the creator of all things, created free will, billions of years before he created the physical universe. Evilness has existence, but is not a nature of God; He has never exercised evil, nor will he ever, for He is Holy. He is the creator of all things. God is a loving Heavenly Father, a Savior Son, and Comforter Spirit. His angelic beings and human beings were created with the free will to choose to do good or evil. So, the Sons of God, which are all of the angels, at any time in ages past, could have chosen to do evil if they wanted to, but they never did until one infamous day."

"So if God originally created Lucifer as a good angel as you claim. Then the day that he choose to do evil was that the same day that he fell?"

"Yes, that is correct, now lets go forward from this past history to the day almost 6,000 years ago before the creation of the physical universe. This was the day that some scientists called the Big Bang, which means all matter originated from one place in the universe. Since this is an expanding universe, if you contract the explosion, it leads to one location and point in time. Let's take a look at creation and see how the universe expanded." The video in super fast rewind looked as if it suctioned all the planetary bodies in the universe back to the black hole. Then even the black hole could faintly be seen on the dark screen. At the birth of creation, out of darkness sprang forth light, as billions of gigantic twirling galaxies slowly poured out of the black hole and expanded into little white specks. They sprang out into the deep regions of dark space.

Charlie slowly lowered his 3-D glasses over his eyes. He could see that the black hole was the mouth of God, as he was speaking the universe into existence. The words of his mouth were transformed into physical properties as they departed the black hole of his lips, parsing word after word. "Awesome, so this was the origin of the Big Bang and all the matter of space and time in the expanding universe. The universe poured out of God's mouth." Charlie mumbled aloud his awe.

"For GOD, who commanded the light to shine out of darkness..."

2 Corinthians 4:6

"Then spoke Solomon, The LORD said he would dwell in thick darkness."

I Kings 8:12

"Through faith we understand that the worlds were framed by the Word of God, so that things which are seen were not made of things which do appear."

King David commented, "We just watched the first six days of creation as it occurred 6,000 years ago. Let's look at the first seven days individually. Now wear the 3-D glasses catawampus over your eyes, so that one eye is covered by a lens and the other eye is naked, that way you can see both worlds the spiritual and the physical at the same time."

Charlie stood, staring at the giant screen with his 3-D glasses slanted catawampus across his head. Each of Charlie's eyes could see two different worlds; with his naked eye he could see the physical realm of darkness. With his lens covered eye he could see the spiritual realm. The throne, of God, was surrounded by millions of angels and mythological looking creatures, some with animal heads and human bodies.

"... And round about the throne there were four beasts, full of eyes before and behind. Saying HOLY, HOLY, HOLY, Lord God Almighty which was, and is, and is to come."

"Saying, Amen: Blessing, and glory, and wisdom, and thanksgiving, and honor, and power and might be unto our God forever and ever Amen"

Revelation 4:6-9 & 7:12

CREATION DAY # 1.

As God spoke, his mouth enunciated, opening and closing. The Monarch's lips parsed the words 'Earth come forth.'

Amazed, Charlie stood, looking at two worlds. He looked kind of goofy with the glasses catawampus. One lens covered one eye and he could see God opening his mouth. At the same time with his naked eye he was staring at a black hole upon the dark screen out of which birthed the Earth. The earth was propelled out of this deep black hole.

His naked eye could see the continental plates of earth as they individually sprang out of that black hole. With his other lens covered eye he could see God opening and closing his mouth as he was speaking the words. The naked eye saw upon the dark screen the unconnected continents of Africa, Europe, Asia and the America's were all slowly orbiting as the foundation stones to the earth were exposed for the very first and only time. As God continued to speak, the continental plates were all compressed together as a dark watery and surging ocean appeared and covered all of the submerged continents.

Charlie's covered eye could see the angelic host of the sons of God. They were all shouting for joy. Michael the Archangel, Lucifer, Gabriel, the angels, the Cherubims, and every single creature in heaven sang in joy. God was embarking upon a unique creation. This new world, out of the fantasy of

his mind, formed as he spoke forth the words. The universe expanded universe from one point in time. It expanded in all directions.

Charlie put down the glasses and blinked. All he could see upon the dark screen was the silhouette of earth. No angels could be seen. He then put the glasses back on catawampus. Once again he could see all the Sons of God were shouting for joy. He was seeing two worlds.

King David jabbed Charlie with his elbow and emphasized, "Every single creature shouted for joy including Lucifer and everyone else. They all shouted in exaltation. Later on the first day of creation Lucifer's heart crystallized and he rebelled.

Charlie asked, "So, Lucifer and his followers rebelled later on the first day after they all shouted for joy? But, why?"

"The rebellion occurred after they saw the marvelous new dimension, called the physical realm."

Charlie gruffed, "So the earth isn't millions of years old? Creation and Lucifer's rebellion really occurred 6,000 years ago?"

"God created the physical realm with an appearance of age, but millions of years was what you were taught to believe."

"Well wait a minute... how do you know Lucifer didn't fall on one of the other days of creation. Or even before creation?"

"Because that is why God created the Lake of Fire on the Second day of creation – a place to put the rebels." They both then looked under them at the Lake of Fire. They were standing on the icy glass plane directly over the Lake of Fire.

David repeated, "Lucifer rebelled against God on the very first day of Creation. His rebellion occurred later that same day after the earth was created and after all the Sons of God shouted for joy."

Lucifer flew in and interrupted, "God has appointed me as the Prince of the Universe. I will exalt my throne, above all the stars of God, and I will sit on God's throne, and I will ascend above his clouds, for I shall be like the Most High." (Isaiah 14:9-19) Lucifer swelled with pride, smiled, and vanished.

"Where wast thou when I laid the foundations of the earth? Declare if thou hast understanding. Whereupon are the foundations thereof fastened? Or who laid the cornerstone thereof? When the morning stars sang together, and all the Sons of God shouted for joy.

JOB 38:4-8

"Thou (Lucifer) hast been in Eden the garden of God. ... Thou wast perfect in thy ways, from the day that thou wast created, till iniquity was found in thee."

Ezekiel 28:12-19

King David continued, "Lucifer with his own free will and conscience demanded to know on the first day of creation which of the angels and archangels of God would follow him as the leader and general of the new age. He said, 'Choose you this day whom ye will serve, for our new army shall overthrow God.' There was a great divide among the angels of God. They split into warring sides. One third of the angelic host chose Lucifer to be their god. Two thirds chose God. The angels, who chose rebellion, transformed into wicked demons. As their hearts darkened, their beauty faded, morphing them into vile looking creatures. The fallen sons of God became the powerful demonic forces that lurk around government buildings as the unseen force of wickedness that dwell near powerful people of the earth."

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Ephesians 6:12

King David said, "The first day of creation continued."

"And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness. And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day."

Genesis 1:2-5

King David said, "The reason why we know Lucifer fell on the first day is because God created the Lake of Fire under the firmament on the second day."

CREATION DAY # 2.

They were looking upon the dark screen, which contained the entire dark universe. There was nothing in deep blue space except the earth, which was illuminated by a dim source of extraterrestrial light.

Charlie with his 3-D lens covered eye could see God sitting upon his throne. God spoke forth words that would create things simultaneously in two places.

"And God said, let there be a firmament in the midst of the waters, and let it divide the waters from the waters. And God made the firmament, and divided the waters which were under the firmament from the waters

which were above the firmament: and it was so. And God called the firmament Heaven, and the evening and the morning were the second day.”

Genesis 1:6-8

Looking through a lens-covered eye, Charlie yelled, "Freaky?" He saw the spiritual firmament. "Oh, wow, that looks a like the cover on a book my wife tried to get me to read!"

“It’s called, ‘The Shekinah Prophecy.’” King David added,

“Directly under God a flat sheet of ice, a firmament took form. It looked as if the Lake of Fire below melted a hole in the sheet of ice above it. Above the firmament sat God on his throne.

“Yes, Shekinah Prophecy...The clear glassy firmament divided the heaven in half...the frozen throne waters above from the steamy hot waters below.” Charlie stuttered, "You mean because Lucifer rebelled and fell on the first day of creation, God created two firmaments?"

“Exactly, one of them surrounded the earth in the ozone layer, which supplied the store house of Noah’s Flood waters. And the second firmament was created simultaneously here in Heaven along with the Lake of Fire on the second day?"

"And I looked, and, behold a whirlwind came out of the north, a great cloud, and a fire infolding itself, and brightness was about it. ... And above the firmament that was over their heads was the likeness of a throne, as the appearance of a sapphire stone: and upon the throne was the likeness as the appearance of a man above upon it. ... As the appearance of the [rain] bow that is in the cloud in the day or rain, so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of the LORD.”

Ezekiel 1:4, 26-28

"And God said; Let the waters under the Heaven be gathered together unto one place... And it was so. And God saw everything that he had made and behold it was very good."

Genesis 1:9 & 31

Meanwhile what Charlie was seeing with his naked eye was the creation of the icy firmament that surrounded the earth. The second firmament encapsulated the earth. World mythology called the firmament by various names. It became the warehouse for the floodwaters of Noah.

God spoke again. Charlie still looking at the dark screen watched the water-covered earth's surging ocean divided into two parts. Half of the ocean was lifted up into the sky. These waters filled the ozone layer and froze. The myths claimed it was Atlas that held up the heavens (frozen firmament) upon his shoulders. The earth could be seen inside this frozen clear layer of water that surrounded the earth. The remaining continents were still submerged below the remaining ocean waves. Charlie thought it looked like an egg; the clear icy glass firmament surrounded the earth inside.

CREATION DAY # 3

The landmasses of the submerged earth below the seas lifted out of the waters as God spoke. As the continental plates moved up, water poured off the land. Immediately they sprouted with plants, trees, growing into grown forests and producing fruit trees.

"Translating from the hieroglyphs of ancient Egypt out of the Book of Thoth," King David said, "In the beginning, there was only darkness of a watery abyss. There was only the darkness of the waters, and darkness lay over the waters, and there was no sign of life. Out of the darkness of the waters oozed a mound of mud. The mound swelled, bubbled, and struggled, and took the form of the first god, Amun (earth). And Amun tore off his limbs and all parts of his body, and these parts of the body of Amun were transformed into men, animals, and all of creation."

CREATION DAY # 4

The planets, moon, stars and galaxies poured out of the mouth of God, into the universe. The Milky Way galaxy was born and interwoven around the solar system of earth.

CREATION DAY # 5

All sea creatures teemed in the ocean, prehistoric sea dragons, whales and fish. The skies were filled with feathery flying creatures.

CREATION DAY # 6

Land mammals, dinosaurs and creeping critters dashed in all directions. Later that day Adam and Eve walked in the garden with God. From all appearances, the earth looked mature in years. Everything upon the earth was created with age. The rocks looked old and the trees appeared hundreds of years old. Even the starlight that should have taken millions of years to reach earth was already caressing the planet. Adam and Eve appeared as if they were thirty years old. Even though they were less than a day old, they stood naked and unashamed, enjoying a casual conversation in the Sumerian

language.

CREATION DAY # 7

And God rested upon the seventh day, from all his work. In the tropical Garden of Eden, near the Euphrates River, Adam's original name in the Sumerian language was Enki or Earth Born. Adam and Eve wrote and spoke the Sumerian language. Adam was awed by the new creation; especially the woman, with her waist-length brunette hair and beautiful green eyes. Adam delighted in her every curve. His heart raced. He thought, 'I think I will call her Eve.'

A few days later a serpent gazed upon her with jealous eyes. Eve's feminine body was joyful to behold. The serpent danced around the fruit tree saying, "Trust me, yea, God hath said ye shall not eat off the fruit tree of the Knowledge of Good and Evil? What God hath said is true, but when he hath said ye shall die, what he doth mean is that ye shall be like the angels, which are gods. For ye shall know good and evil, like all the sons of God and ye shall live."

Eve glanced back and forth between the charismatic metallic serpent with the mesmerizing voice and the forbidden tree that appeared so delightful to her eyes. The charming serpent winked at her with his magnetic eyelids saying, "This good tree shall make thee wise and ye shall be one with nature."

Eve giggled as she ate the forbidden fruit. Adam walked over, felt his heart sink, and ate the fruit offered to him by his wife. For the first time they felt guilt, shame and nakedness. Adam and Eve sewed fig leaves together.

They heard the voice of God whistling and walking through the plush garden of God. This garden the Sumerians called Dilmun. Adam and Eve's hearts were afraid, and in the Sumerian dialect God said, "In the entire garden only one tree was forbidden to eat, why did you choose to eat the fruit from the tree of the Knowledge of Good and Evil?"

Adam pointed at Eve, Eve pointed at the smug serpent, and the serpent pointed at God.

In Heaven, Charlie could see Lucifer cheerfully declaring, "I am the spiritual father of the human race and all of their future children. They willingly and freely chose to obey my voice, for if God had not given them free will, they would not be my slaves. There is no one to blame but God for he granted me permission to choose."

Adam and Eve traded an eternal living relationship with their Heavenly Father [the Tree of Life –the Spirit], for bondage to a dead religion, a curse and physical death [the Tree of Knowledge of Good and Evil –the Law].

King David while staring at the movie screen with the serpent gloating next to the tree whispered to Charlie, "Through free choice Adam and Eve, switched fathers, instead of God they chose the deceitful Lucifer."

King David looked back at the screen. The first death in the universe occurred at the hands of God, who was doing the killing.

And God declared, "As I have killed this lamb and spilt his blood to clothe thee, this death shall be a shadow of the blood to come, for by death there is life, because the blood shall cover. Use his skin as a cover."

This ancient rite of the primeval sacrifice would never die, but forever march to all the corners of the globe.

Charlie gazed at the screen and watched Lucifer fly back into Heaven. He turned and asked, "What did God mean about the blood to come?"

Meanwhile on the porch overhead, Lucifer had a new list of names, and he ended the conversation with the words, "God it is my request, that you continue to grant me liberty to abduct more humans into my space ships to use their sperm and eggs in my experiments."

Charlie stunned, turned to King David who explained, "Because men would rather believe a lie than the truth of the word of God, as he wrote in the scriptures. For this cause God shall send a strong delusion that mankind should believe a lie. God granted permission for Lucifer to lie."

"Even him, whose coming is after the working of Satan with all power and signs and lying wonders, and with all deceivableness of unrighteousness in them that perish, because they received not the love of the truth (the Bible) that they might be saved. And for this cause GOD shall send them strong delusion, that they should believe a lie."

II Thessalonians 2:9-11

King David exclaimed, "However there is a large remnant of hundreds of millions of people all over the earth who will not choose this New Messiah who is claiming to have all of the answers."

Charlie thought about his relatives on earth. Then he looked at his feet and looked through the glass floor of the firmament, watching the fire of the cascading walls of the Red Sea. Lightning flashed into the deep regions of dark space. Charlie inquisitively asked, "So when and where did all of the angels, cherubs, and archangels come from?"

"The same mouth that created the starry universe created the angels in ages past. Lucifer, when he was created, was covered with gold, gems and dazzling emeralds and diamonds, for it is written,"

"Thou (O Lucifer) were perfect in thy ways, from the day that thou wast created, till iniquity was found in thee."
